## Website

The club website is up and running at [coatbridgegolfclub.co.uk](http://coatbridgegolfclub.co.uk), this will be a major source of information sharing where you can find the competition schedules and updates on competition results. The committee would also welcome any member suggestions in relation to the website as this is something new to all of us.

## Communication

The committee has agreed on the creation of a club WhatsApp group, this will allow members to easily communicate with the committee and one another. The group will be subject to administration of the committee and should be solely for chat about the club and golf in general, members posting inappropriate content may be subject to disciplinary action under the club rules.

## Club Handbook

The club handbook will be emailed out to all members who have paid to the address on your membership form provided in a PDF format. This can be downloaded onto any device and accessed easily. If any member is having difficulty, please contact [coatbridgegolfclub@aol.com](mailto:coatbridgegolfclub@aol.com) or speak with one of the committee members. ## Other news

The Committee has agreed that the club laptop will only be used for events/competitions for score recording and will be managed on the day by a committee member.

Having asked members to indicate their interest in a Sunday Stableford there was a great response and the committee has agreed this will be organised by the club details to follow on the management of this.

It was also brought to the attention of the committee a lack of competitions for the over 60's as such a sign-up sheet will be put up asking members to sign up for an over 60's handicap singles competition again if there is sufficient interest this will be facilitated.
